

**Bed of Roses - Bon Jovi - tom D**

G D

Sitting here wasted and wounded at this old piano

G D

Trying hard to capture the moment, this morning I don't know

F#m G D

Cause a bottle of vodka is still lodged in my head and some blond

G

Gave me nightmares, I think that she's still in my bed

G A D

As I dream about movies they won't make of me when I'm dead

G D

With an ironclad fist I wake up to french kiss the morning

G D

While some marching band keeps it's own beat in my head while we're  
talking

F#m G D

About all of the things that I longed to believe, about love, the truth

G

And what you mean to me and the truth is

G A D A

Baby you're all that I need

Bm A G D

I wanna lay you down in a bed of roses

Bm A G D

For tonight I sleep on a bed of nails

G D G D

I wanna be just as close as the Holy Ghost is

Bm A G D

Lay you down, on a bed of roses

G D

Well I'm so far away, each step that I take's on my way home

G D

A king's ransom in dimes I'd give each night just to see through this payphone

F#m G D

Still I run out of time or it's hard to get through till the bird on the wire

G

Flies me back to you. I'll just close my eyes.

G F#m D A

And whisper "baby blind love is true"

Bm A G D

I wanna lay you down in a bed of roses

Bm A G D

For tonight I sleep on a bed of nails

G D G D

I wanna be just as close as the Holy Ghost is.

Bm A G D A

Lay you down, on a bed of roses.

G A

Well this hotel bars hangover whiskey's gone dry

D

The barkeeps wig's crooked, and she's giving me the eye

G A D A D

Well I might've said yeah, but I laughed so hard I think I died

Bed of roses - bon jovi - tom D

G D

Now as you close your eyes, know I'll be thinking about you

G D

While my mistress she calls me to stand in her spotlight again, tonight

G D

I won't be alone, To know that don't mean I'm not lonely

Bm A G D A

I've got nothing to prove, for it's you I'd die to defend

Bm A G D

I wanna lay you down in a bed of roses

Bm A G D

For tonight I sleep on a bed of nails

G D G D

I wanna be just as close as the Holy Ghost is

Bm A G D A

Lay you down, on a bed of roses
